

**Declaration of Performance  
DoP CPGV-en**

1. Product type: CPGV. Reinforced tape.

2. Identification:

| Code    | Size   |
|---------|--------|
| CPGV012 | 12,5 m |
| CPGV030 | 30 m   |

3. Intended use: Tape for plasterboards.

4. Manufacturer: Index Fixing Systems. Técnicas Expansivas S.L.  
C/Segador, nº13  
26006 Logroño, La Rioja, ESPAÑA

5. Authorized representative: Not applicable

6. System of assessment of performance: 4

7. Harmonized standard: Laboratory performed under system: Técnicas Expansivas S.L.  
Initial Type Test  
4

8. European technical assessment: Not applicable

9. Declared performance:

| CPGV. Reinforced tape     |             |                                    |
|---------------------------|-------------|------------------------------------|
| Essential characteristics | Performance | Harmonized technical specification |
| Fire reaction             | Class F     | EN 13501-1                         |
| Tensile resistance        | Pass        | EN 14353                           |
| Dangerous substances      | NPD         | EN 14353                           |

10. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9

This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.
