## SCIP – Waste Framework Directive

We hereby communicate that we already sent notification to the SCIP database of our “Articles” – alloys with lead (SVHC substance from the REACH Candidate List) in concentration above 0,1% by weight.

Following the process of submitting the dossier of notifications SCIP to the EACH, we received the relative relations which contain a reference number. The table below reports the related SCIP numbers:

NAME DOSSIER	CONCENTRATION RANGE	SCIP NUMBER
TALAM	>= 1.0% W/W and <10.0 w/w	55108e33-ce08-4683-b159-785281f60e44
